Growth Session #32 - December 11 2020

Participants

Background

- Recently Management was looking for a better alternative of Standuply. From there, this project idea has come.
- Undoubtedly Standuply is handy. But sometimes this creates some confusions. So if We could build a tool by ourselves which can be used in place of other solutions.
- We can add/modify features as per our requirements.

THIS IS A PROOF OF CONCEPT WHICH CAN BE ENHANCED IN FUTURE

Goals

- Create a daily standup tool
- With a future plan to make it as an in house reporting tool.

Features

- ✓ Authentication and Authorisation for nimble domain.
- ✓ After signing in, we will cache the session up to 7 days.
- ✓ Users get a notification need to check in to this by his/her android/iOS device by 10am on working days.
- ✓ Up on login, employees will be asked to submit the daily report (flow will be like the current one). When he submits the report it will be posted on slack by slack hook.
- ✓ Employees can set reminder to get a notification to submit his/her report on time. This time can be chosen by him, but that should be before 10am (according to BKK time).
- ✓ User can get a list of his/her last 5 days reports.
 - Chapter wise Report - Users will be grouped according to chapters(web, mobile etc). If an user subscribe to get report for any specific chapter(s), s/he will get that chapter people's report by mail.

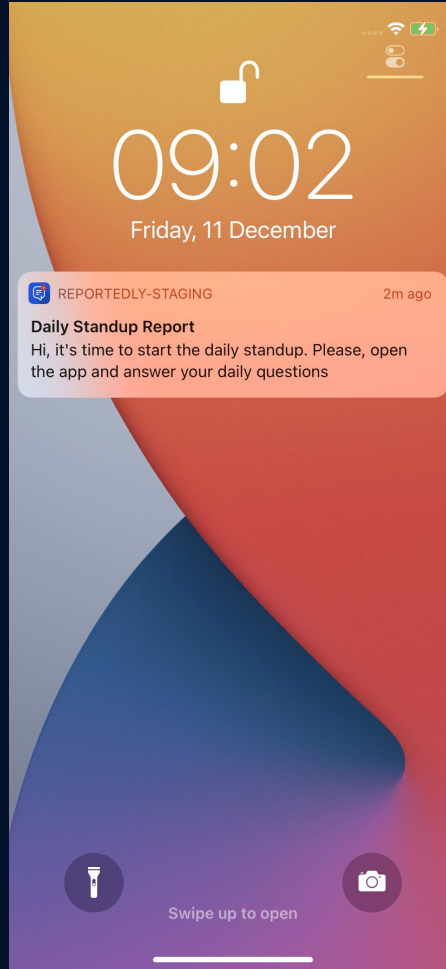

Next Versions

- ❑ An admin panel (in web, mobile both)
- ❑ Admins will be able create reports, assign reporters, generate summary etc.
- ❑ Auto replies, Preset replies
- ❑ Many more...

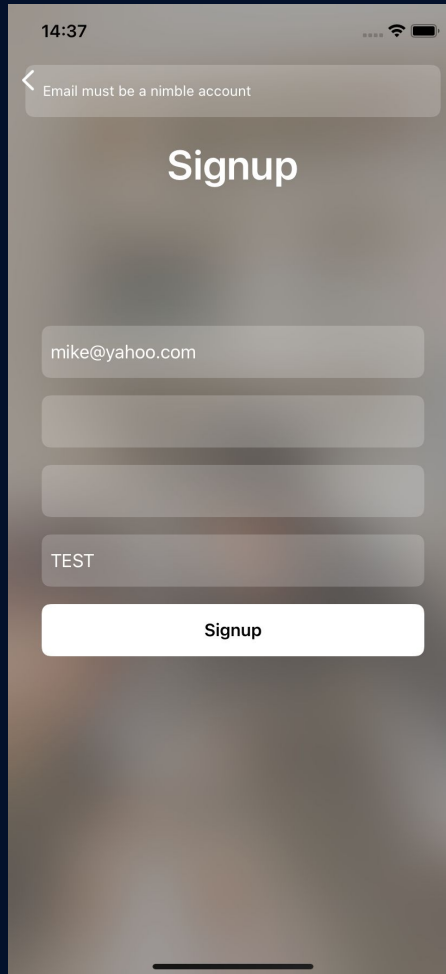

iOS Reportedly Features

- ❑ Trigger daily notification reminder at 9:00 AM local time for weekdays
- ❑ Support Nimble emails only for signing up
- ❑ Submit daily report feature

Signup

This is a mobile app interface for a Nimble email signup. The screen has a light gray background. At the top, there's a status bar showing the time 14:37, signal strength, Wi-Fi, and battery. Below the status bar is a navigation bar with a back arrow and the text "Email must be a nimble account". The main heading is "Signup". There are four input fields: the first contains "mike@yahoo.com", the second is empty, the third is empty, and the fourth contains "TEST". At the bottom is a white button with the text "Signup".
